

Secondary Applications & Interview Prep

Congratulations! You've submitted your primary application and now the next phase is on the horizon: secondary applications and interviews. We offer full-service counseling for these critical application components—which can count for 60% or more of your application scoring!

Price: \$1,950 USD

✓ Secondary application

✓ Interview preparation

Secondary Applications and Interview Preparation

- Assistance with essay development, and one round of detailed revision for up to 8 secondary applications
- Interview coaching, support, and feedback prior to your first interview (both traditional and MMI interview formats)
- Review of post-interview “thank you” notes

Additional Application Support

- Feedback on letters of intent and continued interest
 - Assistance with final school selection, waitlists, and—where applicable—strategizing a plan B, including a gap year, post-baccalaureate/master's programs, reapplication, and more
- Celebrating your acceptances!
